

Science and Technology Education Partnership

Educate to Innovate... Why STEM Education Matters to Our Economy!

Dr. Pamela S. Clute
Assistant Vice Provost of Academic Partnerships
Executive Director of the ALPHA Center
Professor of Mathematics

This program is designed to motivate and provide “hands on” activities to stimulate the learning of mathematics and science. Instructional materials will be provided along with a certificate of recognition from Founder and Honorary Chairman, Ken Calvert. A buffet dinner will be served and door prizes awarded.

Where: Riverside Convention Center
When: Wednesday, October 26, 2011
Time: 3:45p.m.-7:15p.m.
Cost: A Smile 😊

Seating is limited to 125 teachers and reservations are required by Friday, October 1, 2011. RSVP to Candy McReynolds at: Candym@ucr.edu
